

# The internal knowledge sharing solution for the enterprise.

Meet Tribute, the **enterprise knowledge directory** that pinpoints your people’s unique knowledge and expertise and connects them with the right person at the right time to **break down silos and improve performance.**

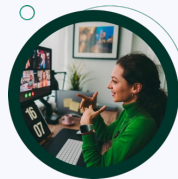

## WHY TRIBUTE

**Strengthen connections across your teams to build trust.**

Tribute helps enterprise organizations truly get to know their people, at scale. By facilitating the indexing and sharing of unique knowledge among employees.

[See Zillow Case Study →](#)

**Solve problems on-demand to unlock productivity.**

These meaningful connections not only help employees solve immediate work-related problems, but they also create a culture of collaboration, trust, and support.

[See Microsoft Case Study →](#)

**Use our intelligent knowledge graph to make better decisions.**

We create a proprietary knowledge graph, tailored to each enterprise, that identifies the intricate network of skills, skill gaps, and high-potential talent specific to your organization.
